

Delivery terms and processing rules of CO₂ -cylinders

Valid from 2.3.2023. Delivery terms valid only for our registered customers, for CO₂ -orders.

1. CO₂-CYLINDERS

CO₂ -cylinders are property of the provider. Customer has a right to use gas cylinders while following the guidelines provided below. The cylinders should be returned to providers' warehouse once empty. Customer is responsible of any damages, disappearance or any kind of violation of the cylinders.

2. DELIVERY

CO₂-cylinders are delivered to the customer according to the terms provided at check out stage of an order. Cylinder provider is in charge of a regulation based condition of the cylinders when delivering items.

3. RETURNING POLICY

Empty cylinders should be returned to the following address: **Darment Oy, Ruosilantie 18, 00390 Helsinki**. The return cost shall be paid by the customer.

4. BILLING

CO₂ -cylinders free-of-charge usage period is 14 days. A rent will be charged after 14 days. Empty CO₂ -cylinders' rent will be billed first time 180 days after the initial delivery. After that the rent will be collected in 3 month cycles, until bottles are returned or bought.

5. PRICES

CO₂ -cylinder rental price is 0,50 €/day/cylinder (after 14 days). CO₂ -cylinders can also be bought: the price of a cylinder is 350€/piece. All prices are VAT 0%.

6. CYLINDER CONDITION

Cylinder should not be filled with any substance. There should not be any stickers or other objects glued on top of the cylinder. Cylinder should be clean from the outside. If there is a problem with the cleanliness of a cylinder, provider has the right to bill the customer a proper amount for cleaning/maintenance procedures.
